

A Spaceman Came Travelling - Dm

Song by Chris de Burgh

Dm F C Dm
A spaceman came traveling on his ship from afar
F C Bb Bb
'Twas light years of time since his mission did start
Dm Am Bb Dm
And over a village, he halted his craft
F C Bb Dm
And it hung in the sky like a star, just like a star

He followed a light and came down to a shed
Where a mother and child were lying there on a bed
A bright light of silver shone round his head
And he had the face of an angel and they were afraid

Then the stranger spoke, he said, do not fear
I come from a planet a long way from here
And I bring a message for mankind to hear
And suddenly the sweetest music filled the air

Bb
And it went
Dm Am Bb Dm
la la la la la la la la la
F C Bb Bb
La la la la la la la, la la la
Dm Am Bb Dm
la la la la la la la la la
F C Bb
Peace and goodwill to all men
Bb C Dm
and love for the child

This lovely music went trembling through the ground
And many were awakened on hearing that sound
And travellers on the road the village they found
By the light of that ship in the sky which shone all around

And just before dawn at the paling of the sky
The stranger returned and said, now I must fly
When two thousand years of your time has gone by
This song will begin once again to a baby's cry

And it went la la la la la la la la
La la la la la la la, la la la la la la la la
Peace and goodwill to all men
and love for the child

And it went la la la la la la la la
La la la la la la la, la la la la la la la la
This song will begin once again
to a baby's cry

*Oh the whole world is waiting,
waiting to hear the song again
(la la la la la la la la la)
There are thousands standing
on the edge of the world
(la la la la la la la la la)
And a star is moving somewhere,
the time is nearly here
(la la la la la la la la la)*

*This song will begin once again
to a baby's cry*
